Happy New Year

Hello everyone,

A new year is upon us and I hope you have a safe one. Well, a lot of things are going on in our Region, as well as at the State level. As I was telling you before, the State wants all our poker runs to be dry. (This has been coming for last 3 or 4 months.) The thought behind this, is promote safety and to establish a good public relation with our communities. The State also don't want to see anyone in pictures that the person is drinking (any kind if alcohol) and wearing a CMRO shirt. CMRO doesn't want to be associated with promoting drinking. They want our organization to be taken seriously and not as an organization that party's too much. Sometimes to move forward you have to try thing like this to get new members. So, I told the board members at our meeting in December that our runs need to be dry and I'm sure you all know that it did not go over very will. So I need to take it to our members first. I know it isn't right that someone tells us what we can or cannot do, so the January meeting will be a very important meeting because we are going to vote on this. If you have not made a meeting in a while you probable should. Also at the December meeting I ask Mike Gloss to look into writing our own grant for "Safety Operations" for meetings and for runs. Again we also need to vote on this as well.

Some things that are coming up: The Canton swap meet. We will have our booth there again and we will be selling 50/50 tickets, the winner needs not be present to win. We had lots of fun last year. This is at the Stark County Fair Grounds on Sunday January 27th see flier for more details. January meeting is going to be held at Falcone's in Canton, board meeting at 12 noon and region meeting at 1pm on the 20th, hope to see you all there. Until then,

SEE YA

Board Meeting Minutes 12/16/2007

Membership: Region 8 = 209 Region 11 = 21 member

Treasurer: 62 people came to the Christmas party. Expenses out weighted the income by \$200.

Tusc Cnty: Possible different places for meetings, example: Wilkshire Golf Course.

PR: Need to discuss having or not having events, due to poor turn out and increase cost of bands.

Products: Restock what is selling

Old Business: Canton Swap Meet, Sunday January 27, 2008 10-4. State will have a booth at the I-X Center. January 25th, 26th, & 27th. Asking for volunteers.

New Business: Per the State, each Region can write its own grant for Safety Education. Region 8 is thinking of several possibilities. Doing a 6-County Safety Run, doing a basic & advanced rider education courses for all 6 counties.

Suggestions are needed from the membership. Motion was made to pursue the grant and passed.

- At the State Board meeting in December, the State is suggesting (telling) each region that the runs have to be dry. Stops must be at a place that doesn't serve alcohol. The question becomes where are you allowed to end your runs?

- The board members would like some suggestions on different types of runs to do. One suggestion was a "Kid Run".

- We are checking into a CMRO night at a Legends football game. March 15th, 2008 The Canton Legends vs The Pittsburgh (Erie) Riverrats. We would need a final head count at our February meeting.

- Freedom Rally 2008. "Twentieth Anniversary". Need suggestions and volunteers to make it memorable.

Hope to see you at the Canton Swap Meet, January 27th from 10 – 4pm.

Wisdom by Bryce

Hello,

A surfer rode a wave on his stomach to rescue a struggling dog that had been swept off a pier and into Lake Michigan by a wave. He grabbed the pooch's collar just as the exhausted black and brown mixed breed stopped dog paddling. He put the dog up on his skateboard and the dog rode on the surfboard into shore.
